

Typical Applications

- Institutional and Commercial Grease Traps
- Hotel Drain Maintenance
- Commercial Drain Maintenance
- Floor Drain Maintenance
- Residential Drain Maintenance
- Septic Tank Maintenance

Directions For Use

Please follow good safety precautions and keep this product and all cleaning products out of the reach of children and pets. Store in cool, dry place. Avoid contact with eyes. Wash hands after use. All cleaning products should be used in accordance with State and Local regulations.

Grease Traps: 200 gallon trap: 10 oz. per day, 500-1500 gallon trap: 18-20 oz. per day, 1500 gallon or larger: 32-40 oz. per day.

Drain Lines: Commercial maintenance: for best results, dose at closing or during quiet hours: 4-8 oz. per week.

Floor Drains: Initially treat drains daily for 3-7 days to achieve better flow rates, thereafter dose weekly. For best results dose at closing or during quiet hours: mix 32 oz. in 2 gallons water to treat 6-8 drains. Hotel & Residential slow running drains: for first week run hot water for 30 seconds before dosing product directly into drain: 2-4 oz./day. Hotel & Residential maintenance: for best results, dose at nighttime or when drain will not be used for several hours: 2-4 oz. per week. Dosing guidelines are recommendations only. Higher dosing rates may be required based on grease loading, types of food cooked and number of meals served. Contact your Geokleen Sales Rep. for technical assistance.

Septic Tanks: After pump-out use 32 oz. per 1000 gal. tank, thereafter, monthly 16 oz. per 1000 gal. tank.

GEOKLEEN™
THE NATURAL SOLUTION

Free Flow™

DRAIN/SEPTIC/GREASE TRAP

From the GeoKleen family of products.

BIODEGRADABLE

**The Next Step In Technology
For The Biological Treatment Of
Drain Lines, Grease Traps, And Septic Tanks**

*Designed for Institutional, Commercial
and Residential Applications*

GeoKleen, Inc. is listed by NSF International

Benefits

Degrades and digests grease and scum from drain lines and grease traps. Does not transfer grease downstream. Reduces the production of odors. **Free Flow™ Drain/Septic/Grease Trap** alleviates low pH problems by breaking down both short-chain and long-chain fatty acids. Can be applied manually or using an automatic dosing system. Will not damage pipes or traps.

Caution: Eye Irritant

Avoid contact with eyes, open cuts or sores. In case of eye contact, flush eyes with water for 15 minutes. Call a physician. Avoid inhalation. If swallowed watch victim for any sign of illness. Induce vomiting only if advised by a physician. Wash hands after using. Do not use this container for storing beverages or other liquids. This product contains non-pathogenic bacteria.
