

## Typical Applications

**Free Flow™ Beverage Tower Drain Line Cleaner** is an environmentally friendly formula designed to prevent and degrade build-up of organic deposits (sugar snakes) commonly found in beverage tower drain lines.

**Free Flow™ Beverage Tower Drain Line Cleaner** can typically be utilized in the following applications:

- Fast Food Restaurants
- Hotels, Restaurants and Taverns
- Grocery Store Drain Lines from the Chiller and Freezer Cabinets

## Directions For Use

Please follow good safety precautions and keep this product and all cleaning products out of the reach of children and pets. Store in a cool, dry place. Avoid contact with eyes. Wash hands after use. All cleaning products should be used in accordance with State and Local regulations.

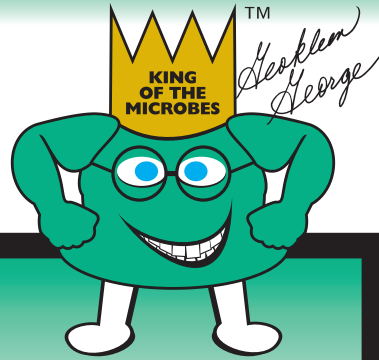

Dose at the end of the day and allow product to work overnight.

**Start-Up:** Add 2 to 4 ounces per tower drain line, per day, for three days.

**Maintenance:** Add 2 ounces per tower drain line, per week.

**Blocked Lines:** Add 4 to 8 ounces per tower drain line, per day, until lines are free flowing. Then follow weekly maintenance dosing.
