

Free Flow™

BEVERAGE TOWER DRAIN CLEANER

The next step in technology for the biological treatment of beverage tower drain lines.

FEATURES

- **Made in the USA**
- **Designed specifically to prevent and degrade build up of organic deposits (sugar snakes) commonly found in beverage tower drain lines.**
- **Contains microbes and enzymes which work in combination to simultaneously prevent and degrade the deposits that form in beverage tower drain lines.**
- **The microbes found in Free Flow™ thrive on the excessive amounts of carbohydrates found in drain lines.**
- **Non corrosive, non caustic formulation.**
- **Environmentally friendly.**

BENEFITS

- **Creates jobs**
- **Dissolves cellulose build up, keeping drain lines free flowing.**
- **Cleans sugar snakes from drain lines much quicker than commercially available chemical products.**
- **Reduces unpleasant odors.**
- **Reduces plumbing costs.**
- **Safe and easy to use.**
